ALUMNI FEEDBACK ANALYSIS FOR THE YEAR 2016-17

Our alumni are a source of our pride. Alumni involvement requires that students act as collaborators in, rather than merely passive receivers of teaching and learning. The purpose of this feedback is to obtain the inputs from the alumni on various parameters. This feedback is collected from all participating alumni of the college during Annual Alumni meet or through e-mail. The format for feedback is shared by IQAC committee to the Alumni Incharges for collection of feedback either manually or electronically. The collected feedback is then submitted to the IQAC committee for analysis and necessary action at their end.
