Dear Sdians...

It gives me immense sense of fulfilment when I look at the monthly edition of college e-Magazine '**DARPAN**'. The essential purpose of e-magazine '**DARPAN**' is to inform, engage and inspire faculty, students, parents, alumni and our stakeholders. This e-magazine endeavors to reflect the values and the long tradition of excellence of the institution itself. Throughout the year campus buzzes with various activities that makes learning experience at SD Gurdaspur, a unique one. The perpetual efforts of the faculty, students and clubs/societies of the college in keeping the campus alive are commendable. Workshops, conferences, competitions, rallies, sports, guest lectures, FDPs, PDPs and a great variety of activities that corroborate academic learning help our students to grow in the real sense.

I congratulate editors for giving practical shape to my idea of e-magazine and wish all the best for inspired and result oriented session.

WORKSHOP ON CAREER OPPORTUNITY

Start up Cell of IIC organised a Workshop on 'Entrepreneurship and Innovation as a Career Opportunity'. Dr. Isha Kohli, Founder of Alphatoonz, Noida was the resource person. The event aimed to inspire and guide participants toward exploring entrepreneurship and innovation as viable career paths. Dr. Kohli emphasized the importance of innovation in driving economic growth and solving societal challenges. She shared her personal entrepreneurial journeys, challenges, and success stories. She also said that one should have the understanding of starting a business, identifying market opportunities, and the significance of innovation. She talked about the support systems like government initiatives, incubators, accelerators, and funding opportunities for startups. An interactive Q&A session allowed participants to engage with the speakers and clarify doubts. The session was well-received, with participants expressing enthusiasm about exploring entrepreneurship as a career.

MOTIVATIONAL SESSION BY SUCCESSFUL ENTREPRENEUR

The Innovation Cell of IIC organized a webinar on 'Motivational Session by Successful Entrepreneur', featuring Dr. Isha Kohli as the resource person. Dr. Kohli, a trailblazing entrepreneur, is the founder of The Learning Hub Tutorials (2020), reflecting her dedication to education and early childhood development. During the session, she emphasized the significance of a clear vision and achievable goals, underscoring the importance of a well-defined purpose as the cornerstone of entrepreneurial success. Dr. Kohli discussed strategies for overcoming challenges, including adaptability, perseverance, and innovative problem-solving, and highlighted how innovation drives value creation and competitiveness. The webinar aimed to empower students with actionable insights, fostering an entrepreneurial mindset and igniting inspiration. Dr. Kohli's dynamic career and multifaceted expertise enriched the session, making it an invaluable learning experience.

SESSION ON BASICS OF IPR

The IPR Cell of IIC organized an insightful session on Basics of IPR and its Importance for Innovators and Entrepreneurs. Advocate Mr. Satyan Khajuria, the speaker, emphasized the significance of Intellectual Property Rights in fostering research and development while ensuring innovators reap the benefits of their efforts. He clarified key concepts with relatable examples, enhancing the audience's understanding of protecting ideas and inventions.

PARTICIPATION IN 55th FOUNDATION DAY OF GURU NANAK DEV UNIVERSITY

On the occasion of the 55th Foundation Day of Guru Nanak Dev University, Amritsar, a folk-art exhibition was organized in which the Heritage Promotion Committee and the Punjabi Department of the college participated. The exhibition showcased a glimpse of ancient heritage. The exhibition featured a variety of items including bags, phulkari embroidery, rugs, handwoven items, weapons, farming tools, handmade art objects, jewellery, various objects related to traditional occupations, folk ornaments, ancient utensils, folk attire, household items, and other objects related to heritage. Additionally, the Punjabi alphabet and family relationships were beautifully displayed. The College Principal appreciated the efforts of Mrs. Kulwinder Kaur.

AN AWARENESS PROGRAM ON LEGAL SERVICES

The Sociology Department and Legal Awareness club organized an awareness program on Legal Services. The main speakers for this program were Advocates Nishtha Vohra and Rufsa Aggarwal. Together they informed students about women and children rights, emphasizing that in today's era, women are coming forward in every sphere of life. There is no field where women are not contributing, yet injustice against women persists. They raised awareness about various issues, including rape, sexual assault, gender-based crimes, domestic violence, harassment, stalking, reporting crimes to the police, and criminal justice system processes, as well as compensation for victims. They also elaborated on national policies and programs for children, covering their right to life, development, protection and participation.

SKILL AND ENTREPRENEURSHIP MELA

The Celebration Cell of IIC in collaboration with the National Edu Trust of India, organized a Skill and Entrepreneurship Mela on National Entrepreneurship Day. Aligning with New Education Policy and its emphasis on practical knowledge and skill development. This fair featured a variety of stalls managed by the Student Council members. Through this initiative, students had the opportunity to enhance their marketing and communication skills. The event was a rich learning experience, demonstrating the importance of celebrating Entrepreneurship Day within the college campus.

WORKSHOP ON PROBLEM SOLVING AND IDEATION

The Social Media Cell of IIC organized a workshop on 'Problem Solving and Ideation', with Ms. Parul, a counseling psychologist, as the resource person. The session delved into key concepts and psychological principles essential for effective problem-solving and creative ideation. Ms. Parul highlighted the role of thinking processes—divergent, convergent, and lateral—in shaping innovation, emphasizing the impact of cognitive biases and personal values on creativity. She discussed techniques like mind mapping, SCAMPER, brainstorming, and design thinking, which promote structured approaches to addressing challenges. Participants engaged in activities to overcome mental blocks and enhance creativity. The workshop underscored the importance of recognizing and addressing psychological hindrances to foster innovation.

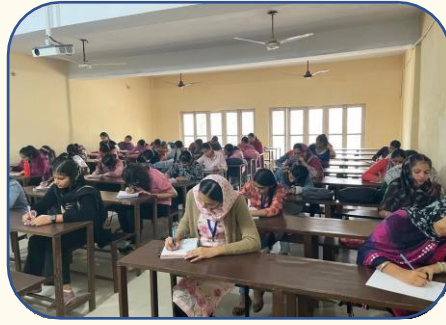

NATIONAL EDUCATION DAY CELEBRATION

National Education Day was celebrated by the Eco club and celebration cell of IIC under EEP and State Nodal Agency PSCST, supported by MoEF & CC. On this day students were taught about the concept of nurseries by discussing their purpose and benefits. This could help to focus on business management skills, including budgeting and marketing. The establishment of a nursery in the college campus is a significant step towards promoting entrepreneurship among students. By integrating teaching with entrepreneurial training, the nursery can foster a community of support among students, encouraging collaboration and innovation. This initiative will ultimately enhance the college experience and prepare students for future challenges in both their personal and professional lives. By learning from this, the students of the college prepared a small planter to honour the invited chief guests in college campus. This day is celebrated every year in college to remember Maulana Abul Kalam.

CELEBRATING 555TH PRAKASH PURAB OF SRI GURU NANAK DEV JI

To commemorate the 555th Prakash Purab of Sri Guru Nanak Dev Ji, the Punjabi Department of the College organized an essay writing competition in which 26 students participated.
