FEE CONCESSION POLICY

The Institute endeavours to ensure that no student shall discontinue education due to financial inadequacy. So, the Institute grants liberal fee concessions and free ships to the poor and needy students. Applications for fee concession should be submitted in the college office within stipulated time. A Fee Concession Committee in this regard has been formulated. IQAC of the college instructs the committee to find out NGOs to provide funds for the concessions to the students. Every year, different categories are decided by Fee Concession Committee and students are granted concessions accordingly.

Objectives of Fee Concession Committee:

1. To materialize our vision and mission.
2. To fulfill the mission and dream of our founding President Pt. Mohan Lal Ji.
3. To ensure right to education to every girl student.

Fee concessions are available to students on application to the college Principal. Following is the procedure to get fee concessions.

1. Students have to write formal written application to college Principal regarding fee concession.
2. Students have to submit the application along with documents of economic background and academic records.
3. Where the college Principal is satisfied with the application provided, concession may be granted
4. Once Fee concession is granted, the institute expects the students to pay the agreed fees in time before the due date.
5. The Concession is valid for one academic year and needy students shall apply every year for getting concession in the fees.
