Research Policy

Research is an integral part of higher education. The research policy of the college aims to create and support a research culture for enriching and enhancing the professional competence of the faculty members. It aims at ensuring that the research activities of the college confirm to norms relating to safe and ethical conduct of research.

Objectives:

- It aims to set forth guidelines and initiatives to promote and support research and innovation.
- Supporting quality research that advances knowledge and understanding in various fields, including Sciences, Information Technology, Commerce and Social Sciences.
- Allocating resources effectively and efficiently to prioritize areas of research for impact and societal benefit.

Policy:

- To promote publication of research papers by faculty in quality journals.
- To provide duty leave to every teacher for paper presentation.
- Subscription of Research Journals and Reference books in the library.
- Promotion, recognition /increment for Research Publication.
- Research funds to be arranged.
- Applying projects to ICHR, ICSSR etc.
- To promote interdisciplinary research.
- To promote collaboration with higher institutes for library & research.
- To arrange FDPs and Lectures on IPR, Research Methodology and Innovation.
- To motivate teachers for Ph.D. programme.
- Developing scientific temper among all learners (teachers & PG students)
- To motivate students to write articles for e-darpan college magazine.
