Session 2022-23

- On 6th June, 2023 in collaboration with Jai Hind Sewa Club, Gurdaspur 'Plantation drive' outside the college campus was organized. Also, on the same day Environment Association released a poster on Environment Awareness.

6th June, 2023

Plantation Drive

- On 30th May, 2023 a 'Plantation Drive' outside college campus was organized. The scorching heat nowadays has made difficult to step out of our home. Even birds and animals find a shelter to protect themselves from this extremely hot weather. Keeping this in mind this plantation drive was undertaken. Firstly, this area was cleaned and all the garbage lying was cleared. Then Flower saplings were sown so as to save environment from depleting and beautify the surroundings of the college.

- The college has successfully achieved the target of planting 100 plants. The institute motivated people to plant trees as many individuals participated. The college has implemented various progress to maximize their efforts in the plantation. The Environment Association organized plantation drives like Project 'Arpit' and the celebration of 'Van Mahotsav'. For this noble cause, Mrs. Samita, Incharge of Environment Association was honoured by worthy D.C Sir, Gurdaspur. Additionally, the college planted numerous plants in the adopted village and distributed different plants to the staff and students. Afterwards, students shared their pictures and videos showing their dedication to tree plantation.

Session 2020-21

- On 5th June, 2021 Environment Association organised DISTRICT LEVEL CONTEST to Celebrate World Environment Day. Under the theme "Share for Cleaner Air" Environment Association has planned to organise following three events:

- "Be friendly with birds".
- "Plantation Drive".
- "Bicycle Rally".

Under first event almost 153 participants are participating. This will surely be helpful to develop a habit of serving food and water to the birds. Dr. Neeru Sharma said such activities will create a sense of responsibility among students towards other living beings.

5th June, 2021

Worlds Environment Day

- A new project of Mushroom farming has been started in the college campus. Environment Association Incharge Mrs. Samita Khajuria, Gagandeep Kaur and two supporting staff members got training at Punjab Agriculture University Campus, Gurdaspur. The project is working with good results and all the staff members are purchasing the mushrooms which are totally fresh and organic. Button Mushrooms and
